

Erica x darleyensis 'C. J. Porter'

opvallende groetoppjes in 't Voorjaar.

Naam uit brief dw. 6. 20-2-04
hy kreeg oek v. Jack Platt.

in Nederl. febr. 1904

Brief mel. 2-8-04. This is a puzzle and almost certainly, do Port Turpin thinks 'J.W. Porter' Foley of Golden Clough started cloning it and said he got it from Dr. Read of Nottingham, and the two were different. But Dr. Read knows nothing of this and his notes records sending Foley 'J.W. Porter'. We now await seeing how these shows themselves in a month or two time.

ook in y B. 1904 schryft E.C. Nelson p. 34 hierover.
